Appointment of Dr Kevin Frost as a non-executive Director

Uranium Equities Ltd (“UEQ” or “the Company”) is pleased to advise the appointment of highly regarded geologist Dr Kevin Frost as a non-executive director of the Company.

Dr. Frost is an exploration geologist with over 25yrs experience in mostly senior roles with a range of mining companies from junior explorers through to international mining houses and is currently General Manager – Exploration at Chalice Gold Mines Limited.

Dr. Frost has a solid understanding of economic geology from a background in project generation and evaluation of exploration projects from grass roots through to mining, and in 2009 he was a joint recipient of the AMEC Prospectors award for the discovery of the Spotted Quoll nickel sulphide deposit (currently mined by Western Areas) located in the Forrestania greenstone belt of Western Australia.

Dr. Frost is a member of the Australian Institute of Geologists holds a Bachelor of Science (Honours) PhD in Geology from the University of Western Australia.
